

January 30, 1997

The Honorable Terry Concannon
Evan W. Woollacott
Co-Chairs
Nuclear Energy Advisory Council
Room 4035
Legislative Office Building, Capitare Avenue
Hartford, Connecticut 06106

SUBJECT: NRC COMMISSION PAPER 97-003, DATED JANUARY 3, 1997,
"MILLSTONE RESTART REVIEW PROCESS"

Dear Ms. Concannon and Mr. Woollacott:

Enclosed for your information is a copy of the subject Commission Paper that was made publically available January 30, 1997, at the Millstone Commission Briefing. I direct your attention to page 8 of the Commission Paper, the third full paragraph. In that paragraph, the opportunity for the Nuclear Energy Advisory Council (NEAC) to recommend one or two systems for review by the Independent Corrective Action Verification Program (ICAVP) is extended to the NEAC. As stated in the Commission Paper, the NRC will consider including one or both systems recommended by the NEAC in the ICAVP review.

Sincerely,

Original Signed by:

Eugene V. Imbro
Deputy Director for ICAVP Oversight
Special Projects Office
Office of Nuclear Reactor Regulation

Enclosure: Commission Paper 97-003
