Dear Ms Pelke:

This correspondence is to request a 30 day extension in responding to the information requested in your letter dated November 19, 1996 regarding the compaction of waste generated from inpatient iodine-131 thyroid ablation radiotherapies.

If you require additional information or assistance, please contact me or Robert Yoss at (414)257-6540.

Sincerely,

Ralph Grunewald, Ph.D.
Radiation Safety Officer
