

BEFORE THE ATOMIC SAFETY AND LICENSING BOARD
U.S. NUCLEAR REGULATORY COMMISSION

In the Matter of)
KERR-McGEE CHEMICAL CORPORATION)
(West Chicago Rare Earths Facility))

DOCKETED
Docket No. 40-2061-ML

'85 AUG 16 AIO:50

PEOPLE'S MOTION FOR EXTENSION OF TIME OF SECRETARY
DOCKETING & SERVICE
BRANCH

The People respectfully move the Board for an extension of time within which to reply to Kerr-McGee's response to our motion to compel in this proceeding. Our reply is due on August 16. However, between now and that date the undersigned will not have adequate time to prepare the reply, since on August 12 and 13 she will be out at the West Chicago site for the commencement of the State's groundwater monitoring program; on August 14 and 15 she will be in Springfield, Illinois for depositions in the state court case; and upon returning she has numerous tasks to catch up on in connection with the other cases on her docket.

For that reason, we request an extension until August 23 for the filing of this reply. We will not object if Kerr-McGee files its reply on the same date.

Respectfully submitted,

NEIL F. HARTIGAN
Attorney General
State of Illinois
