Dear Mr. Uleck:

Please find enclosed Revision 1 of RDP-WM-001, Waste Management Plan, and Revision 0 of RDP-SAF-001, Safety Plan. These documents have been revised in response to your comments of May 3rd, 1996, and are consistent with RMI's written responses to those comments.

Also enclosed is an Interim Change Notice (ICN) for RDP-MGT-100, "Work Control Process Procedure." This ICN is being issued at RMI in response to your comments of May 3rd, 1996, and is consistent with RMI's written responses to those comments.

Changes to RDP-SEC-001, Security Plan, were submitted to you under separate cover. With this submittal RMI has revised and resubmitted all documents commented by the NRC, in accordance with the NRC comments.

Our records indicate that Ron Uleck and Mike McCann have controlled copies of RMI-L-163, OSHA Site Safety and Health Plan. Since this plan has been replaced by the Site Safety Plan, RDP-SAF-001, RMI requests that you return these documents to us so that we may properly discard them.
