Dear Mr. Orlando:

Per our conversations on July 8, 1996, and again on August 1, 1996 I apologize for this untimely delay in our response to NRC letters of June 6 and 10, 1996. This untimely delay was the result of OHM corporate office relocating, vacation time and the additional work placed on Mr. Wayne Gaul, OHM Health Physicists who has been reviewing this project. Again I want to apologize for this delay.

I have included two copies of this final information for NRC and have forwarded a copy to the MDE as you requested.

Should you have any questions please feel free to contact me on (703) 767-6522.

Sincerely,

F. KEVIN REILLY
