Folks,

After receiving comments on and making some revisions to the AMS distribution list, enclosed is the final distribution list Region III will be using for distributing AMS documents. Please consider a similar internal distribution if you issue a document concerning AMS.

Also enclosed is a E-mail group that I ask each of you to use when you send E mail regarding AMS.

Utilizing these protocols will ensure that all appropriate folks are fully informed of issues regarding this high profile licensee.

If you have any questions, please call me.

Jack
