This is in response to your letter received on April 17, 1985, requesting that the Commission institute legal action with respect to the Fermi-2 facility. Your request was handled pursuant to 10 CFR 2.206 of the Commission's regulations.

For the reasons set forth in the enclosed "Director's Decision Under 10 CFR 2.206," your request has been denied. A copy of the decision will be referred to the Secretary of the Commission for the Commission's review in accordance with 10 CFR 2.206. For your information, the enclosed notice is being filed with the Office of the Federal Register for publication.

Sincerely,

Original Signed By  
James M. Taylor

James M. Taylor, Director  
Office of Inspection and Enforcement
