Subject: Transmittal of Intermediate Milestone (IM) 20-5708-764-600, Provide Public
WWW LSSPP Server on the Internet

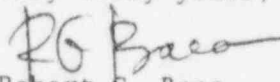

Dear Mr. Wescott:

The subject milestone is specified in the CNWRA Operations Plans for the Division of Waste Management. The Licensing Support System Test Bed (LSSTB) has been hosted on an Internet server which will be given public access at or before 6:00 pm EDT on August 30, 1996. The Internet address is lssnet_test.cnwra.swri.edu. This server provides a full text search and retrieval capability on all loaded documents, as well as selected bibliographic searches (title, author, date). The public users can view and download ASCII test files of the documents and where available, wordprocessor versions with images, and portable document formatted (PDF) files.

Currently, there are over 250 documents loaded from the NRC High-Level Waste (HLW) program including SECY papers, regulations, NUREGs, and correspondence. Loading of more NRC HLW program documents will continue in the future with many more documents consisting of technical reports, correspondence, and NUREGs to be added in September.

This letter of notification constitutes fulfillment of IM 5708-764-600. If you have any questions, please call me at (210) 522-3805 or Aaron DeWispelare at (210) 522-6072.

Very truly yours,

Robert G. Baca
Element Manager,
Performance Assessment
