FOIA-85-488

rec'd 7/10/85

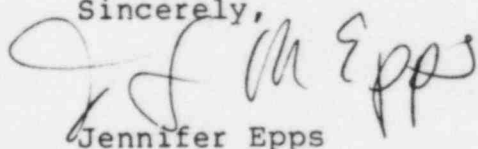

Under the Freedom of Information Act, P.L. s 89-487, 90-23, and 93-502, I am requesting the following document:

A list of all current Nuclear Regulatory Commission contracts. If it is possible to constrain this list to contain computer service and hardware contracts, it would be greatly appreciated.

It is my desire to have you provide an exact copy of this document with the understanding I will pay reasonable reproduction and search costs. However, I request a waiver of these fees in that the documents requested can be considered as primarily benefiting the general public and release is in the public interest.

I look forward to hearing from you within the next ten (10) working days, pursuant to Section 552 (a) (6) (i) of the Freedom of Information Act. In the event I am denied any portion of these documents, please specify the statutory basis for the denial and the names and titles of the persons responsible.

Sincerely,
