

AUG 14 1985

Docket: 50-313

Arkansas Power & Light Company
ATTN: T. Gene Campbell
Vice President - Nuclear Operations
P.O. Box 551
Little Rock, Arkansas 72203

Gentlemen:

SUBJECT: Senior Reactor Operator Licensing Examination

In a telephone conversations between Mr. Ed Force, Training Supervisor, Unit 1 and Mr. John Pellet, Examiner, Operator Licensing Section, arrangements were made for administration of one Senior Reactor Operator written retake examination during the week of September 2, 1985 at Arkansas Nuclear One, Unit 1.

All material required for this examination, including the reapplication, has been received in a timely fashion. Space and facility requirements for the written examination have been communicated to Mr. Force. The actual examination will be administered by NRC site personnel.

Thank you for your consideration in this matter. If you have any questions regarding examination procedures and requirements, please contact Mr. J. L. Pellet, Chief Examiner, (817) 860-8159 or Mr. R. A. Cooley, Chief, Operator Licensing Section, (817) 860-8147.

Sincerely,

Respectfully Signed By
E. H. Johnson

Eric H. Johnson, Chief
Reactor Projects Branch
