Dear Mr. Martin:

Attached are lists of personnel scheduled to take the examination on each date and a list of personnel that have satisfied the 1985 annual examination requirement.

No additional annual requalification examinations are scheduled until the fall of 1986.

Additional supporting information, including revised training materials and copies of the requalification examinations will be provided to Mr. R. A. Cooley as soon as they are available.

Please let us know if we can provide additional information.
