James Adams  
Radiation Safety Officer  
Grandview Hospital  
405 Grand Avenue  
Dayton, OH 45405-3811

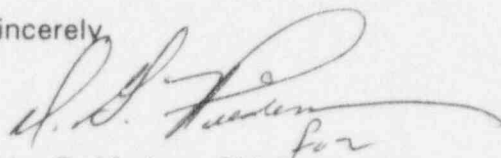

Dear Dr. Adams:

SUBJECT: EXPLANTED CORDIS OMNO-STANICOR NUCLEAR-POWERED PACEMAKER

This refers to your January 15, 1997 written report regarding an explanted nuclear-powered pacemaker (Cordis Omni-Stanacor, SN 184A-631). Your report indicated that the device was explanted on December 31, 1996. The device was shipped to Teletronics Pacing Systems on January 10, 1997, without incident.

We have no further questions regarding this matter at this time. This information will be reviewed during a future inspection.

Sincerely,

John R. Madera, Chief  
Nuclear Materials Inspection Branch 1
