Dear Mr. Olcott:

This is in response to your January 10, 1997, letter requesting written confirmation that the NRC has no objection to the proposed change in ownership of stock of Canberra Industries, Inc. The NRC license of interest is held by Packard Instrument Company, Inc., NRC License Number 12-04933-02, a wholly-owned subsidiary of Canberra.

Based upon the information provided in your letter, as well as a letter from Stonington Partners dated January 14, 1997, signed by Robert F. End, the NRC has no objection to the transaction.

If you have any questions, please feel free to contact me at (630) 829-9854.

Sincerely,
