Mr. W. T. Crow, Section Leader
Uranium Process Licensing Section
Uranium Fuel Licensing Branch
United States Nuclear Regulatory Commission
Washington, DC 20555

SUBJECT: NRC Source Material & Special Nuclear Material
License No. SNM-1461 for the Goodyear Aerospace
Corporation Advance Technology Center (ATC)

Dear Mr. Crow:

Goodyear Aerospace Corporation made application for
renewal of our Nuclear Material License on 8/30/84.
It is our desire to extend our license until 4/1/86
so that we may decontaminate and decommission the
facility.

We will make every effort to decontaminate the Advance
Technology Center prior to the above date; at which
time we will request a survey by your agency and a
decommissioning.

Please advise of your acceptance of this request.

Very truly yours,

Daniel E. Gleghorn
