RE: Whittaker Corporation Greenville Pennsylvania Site  
NRC Docket No. 40-7455  
License No. SMA-1018

Dear Mr. Bykoski:

Thank you for your reminder regarding the Timeliness Rule. I had assumed that the work plan that we submitted to you last spring met the requirement, but I have learned from our consultant that certain actions required under the Timeliness Rule may not have been included in that work plan. We are preparing a more complete submission now and will have it to you within the next thirty days. Please let me know if you need anything additional.

Also, please note our new address. Your letter was delayed in arriving because it was addressed to our old location.

Sincerely,

Whittaker Corporation
