Fire Protection Exemption Requests

Gentlemen:

By letter dated July 19, 1985, Alabama Power Company submitted for NRC approval an addendum to exemption request 1-003, Service Water Intake Structure (Common to Units 1 and 2). This letter was recorded in the docket for Unit 1 only; however, with this fire area being common to both Units, it should be recorded in the dockets for both Units 1 and 2. It is therefore requested that the July 19, 1985 letter be recorded in Farley Unit 1 Docket No. 50-348 and Farley Unit 2 Docket No. 50-364.

If there are any questions, please advise.

Yours very truly,

R. P. McDonald
