Subject: WHAT HAS HAPPENED?

John:

Almost every day I get calls from the people who were fired last January wanting to know if the NRC is doing anything. I have the same question, what is the NRC doing? We can't accept the excuse that the NRC doesn't know. We are dealing with the lives and careers of people and not just numbers.

I was told that some of the issues are being addressed by Dan Gietl out of Region 4 or is this just another smokescreen to delay a decision or is OI and Lieberman attempting to justify why they don't have to do anything? Has Lieberman assigned a priority to these cases and what is it? I have heard other excuses that Hub Miller in Region 1 may be sitting on this one.

NU continues to give Scully a hard time and if anyone at the NRC ever tells someone to go to DOL they are being totally irresponsible. NU is spending all available funds to attempt to beat Scully. If this weren't a legal process it would be considered further harassment. Even OJ got off with enough money and lawyers and that is what NU is doing.

PLEASE STEP IN AND DO YOUR JOB FOR A CHANGE AND PROTECT THE PUBLIC AND NOT NU
