IN RESPONSE REFER
TO FOIA-84-816

Dear Mr. Speck:

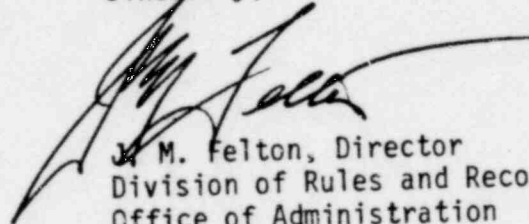

This is in further response to your letter dated October 18, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of all records related to the Ford Amendment Study.

Enclosed are copies of the July 3, 1985, letter and its enclosure provided to Mr. A. Patrick Leighton with regard to his FOIA request (FOIA-84-293) regarding the Ford Amendment Study. Mr. Leighton's request was discussed in detail in my previous letter to you dated June 14, 1985.

The records identified on the enclosure are now available for public inspection and copying at the NRC Public Document Room (PDR).

The staff is continuing to review additional records subject to your FOIA request. We will notify you upon completion of this review.

Sincerely,

M. M. Felton, Director
Division of Rules and Records
Office of Administration

IN RESPONSE REFER
TO FOIA-84-293

Dear Mr. Leighton:

This is in further response to your letter dated April 17, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA), all records relating to the Ford Amendment Study.

We previously made available documents identified in letters to you dated May 3, 1984, May 17, 1984, June 13, 1984, June 27, 1984, August 1, 1984, September 4, 1984, and June 10, 1985.

The records identified on the enclosed Appendix L are subject to your FOIA request and are now available for public inspection and copying at the NRC Public Document Room in folder FOIA-84-293 under your name.

The staff is continuing to review additional records subject to your request. We will notify you upon completion of this review.

Sincerely,

FOIA-84-816

Rec'd 10-22-84

Re: Freedom of Information Request

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, 5 U.S.C. §522 and 10 C.F.R. Part 9, I hereby request copies of all records relating to the Ford Amendment Study performed by the Nuclear Regulatory Commission ("NRC") and by others at the behest of the NRC pursuant to the NRC Authorization Act for fiscal years 1982-83 (Public Law 97-415), Section 13 (the "Ford Amendment").

This request encompasses, but is not limited to (1) all records of meetings, correspondence, notes, memoranda, investigations, observations and interviews relating in any way to authorization, investigation, data compilation, preparation, organization and presentation of the Ford Amendment Study Report; (2) all records of meetings, correspondence, notes, memoranda, investigations, observations and interviews relating in any way to "case studies" of commercial nuclear power plant projects performed in preparation of the Ford Amendment Study Report; (3) all records of meetings, correspondence, notes, memoranda, investigations, observations and interviews arising out of the NRC "pilot program" performed pursuant to Section 13(c) of the Ford Amendment; (4) all
