Subject: cheaper than a postcard

Hello, everyone! We're having a blast in Australia. Seeing that I'm too tight to mail postcards to all of you, I figured I'd kill about 200 birds with one e-mail. Right now we're headed up to Adelaide to wrestle some crocodiles. From there we hope to score a pair of koala fur coats on the black market. (ooh, they're so soft). Anyway, hope everyone is having fun and doesn't miss me too much.

Love,
Paul
