At least the subject got your attention!

Now I need each addressee to send me a response to this note as I am about to change my INTERNET server from AOL to NETCOM. Your responses to PMBLANCH@IX.NETCOM will assist me in verifying my addresses. If I don't get a response (except for the NRC) you will be removed from my e-mail list.

If you receive more than one of these messages please ignore the duplicates.

Sorry, but nobody's perfect!

I WILL BE SENDING ANOTHER E-MAIL WHEN I FINALLY TERMINATE MY AOL SERVICE.

PAUL
