Kerch with R. E. Busch of your staff at the conclusion of the inspection, and to a subsequent telephone discussion between H. Kerch and Steve Sikorski on June 24-25, 1985.

Areas examined during this inspection are described in the NRC Region I Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.
