Subject: Letter to Cleveland

No Legal Objection with only 2 comments:

1) On page 2 "... aware, The Northeast Ohio..." should have a lower case "t" in "The"; and 2) this letter should also be sent to your contact at NEORSO under the cc: section on the second page. NEORSO should be kept informed of this correspondence. In addition the City of Cleveland needs to be added on the distribution list for future reports and correspondence as promised in this letter.

Please call if there is a problem incorporating the second comment. Thanks.
