Dear Mr. Youngblood:

Attached is our revised Offsite Dose Calculation Manual for Perry Unit 1. The changes stated in our previous letter dated July 17, 1985 (PY-CEI/NRR-0283L), have been incorporated. In addition, changes were made to reflect the results of staff's review comments on RETS as well as changes in the REMP on sampling locations.

Please feel free to contact me if you have any questions concerning this matter.

Very truly yours,
