Mr. Dyer:

**DOCKET NUMBER 50-483  
CALLAWAY PLANT UNIT 1  
FACILITY OPERATING LICENSE NPF-30  
NEW UNION ELECTRIC CORPORATE OFFICE ADDRESS**

The U.S. Postal Service is changing all P.O. boxes at automated post offices to five digit numbers, effective immediately. This will affect both the P.O. box number and the zip code for the Union Electric corporate office located in St. Louis.

The new address is:

Union Electric Company  
P.O. Box 66149  
St. Louis, MO 63166-6149

After October, 1997, delivery of mail addressed with the old three digit post office box may be delayed. Please note this change does not affect the Callaway Plant address.

We trust you will find this advance notice helpful in ensuring the NRC staff's ability to correspond with Union electric.

A handwritten signature in cursive script, appearing to read "J. V. Laux".
