Dear Mr. Kinneman:

We have disposed of the radioactive material licensed under License No. 37-12144-01. This license had expired in February, 1984. This material was shipped to Ohmart Corp. on January 30, 1985. We had hoped to accomplish this sooner, however we could not arrange for disposal with Ohmart any sooner.

Attached is the certificate of Disposition of Materials (NRC Form 314).

Please let me know if you have any additional questions regarding this matter.

Sincerely yours,

Ronald O. Downey
Manager Safety & Environmental
