Attention: Mr. C. D. Trowbridge  
Director

Gentlemen:

The AEC specifications for labels on containers housing byproduct material can be found in Section 20.203(f) of the enclosed Title 10, Code of Federal Regulations, Part 20 (10 CFR 20).

For the appropriate transportation regulations we suggest that you contact: Mr. William Brobst, Deputy Director for Technical Technology, Office of Hazardous Materials, Department of Transportation, Room 304, 400 Sixth Street, N.W., Washington, D.C. 20590.

For regulations concerning the transportation of containers housing radioactive materials outside of the United States, we suggest you contact the International Atomic Energy Agency at the following address: Division of Health, Safety and Waste Management, International Atomic Energy Agency, Karntner Ring 11, A-1010, Vienna, Austria, Attention: Mr. Gerald E. Swindell.

Enclosed is a list of suppliers of radiation warning signs reproduced from the February 1970 Nuclear News Buying Guide. This list should provide you with some guidance concerning purchase of radiation warning signs.

Distribution:  
St. Br. Dist.  
CO., Region III

Sincerely,
