Packet Nos. 70-36, 40-2134

Mallinckrodt Chemical Works  
St. Louis 7, Missouri

Attention: Mr. W. M. Lonsdale  
Technical Director

Gentlemen:

This refers to the inspection conducted on the 18th and 19th of August, 1958 of your activities authorized under AEC Special Nuclear Material License No. SNM-33 and under Source Material License No. C-5734.

No items of noncompliance were noted as a result of the inspection.

We appreciate the cooperation given the Atomic Energy Commission representatives.

Very truly yours,
