Re: NRC Information Notice 96-47

Dear Sir/Madam,

This is to inform you that Mayo Foundation has a burial site that was used pursuant to the former 10 CFR 20.304. Burial activities ceased at the end of 1973.

We look forward to receiving information regarding your methodology to ascertain whether a decommissioning plan is required. If required, we will submit a plan within 12 months of determining acceptability of the site.

Sincerely,

Richard J. Vetter, Ph.D.  
Radiation Safety Officer
