Date _____

SUBJECT: Administration (continued)

The Reactor Advisory Committee and its subcommittees are to maintain minutes of meetings in which the items considered and the committees recommendations are recorded. Independent actions of the subcommittees are to be reviewed by the parent committee at the next regular meeting. A quorum of the committee or the subcommittees consisting of at least fifty percent of the appointed members must be present at any meeting to conduct the business of the committee, or subcommittee.

The Reactor Advisory Committee shall meet at least once during each calendar quarter.

A meeting of a subcommittee shall not be deemed to satisfy the requirement of the parent committee meeting **at least once during each calendar quarter.** |

- e. Any additions, modifications or maintenance to the systems described in these specifications shall be made and tested in accordance with specifications to which the system was originally designed and fabricated or to specifications approved by the U.S. Nuclear Regulatory Commission.
- f. Following a favorable review by the U.S. Nuclear Regulatory Commission, the Reactor Advisory Committee, or the Reactor Facility Management as appropriate and prior to conducting any experiment, the Reactor Manager shall sign an authorizing form which contains the basis for the favorable review.
