Subject: Request for Amended License

Gentlemen:

Due to an anticipated change in equipment, we are requesting an amendment of our present Materials License, copy enclosed. We wish our license to be changed from New England Nuclear Model NER-560A sealed source to Campbell Pacific Nuclear Model 131 sealed source and the authorized use to change from Soiltest, Inc. Model NIC-5 series surface moisture density gauge to Campbell Pacific CPN-MC series moisture density gauge.

We have enclosed a check for \$40 to cover the amendment fee.

We would appreciate your expeditious treatment of this request since we have the immediate need of the equipment.
