Gentlemen:

Enclosed is License No. 20-20635-01. You should review this license for correctness and to assure that procedures required by the conditions are implemented.

Your license includes the new way of listing devices that have been approved by the NRC. The approved models and the required leak test frequency are listed on the manufacturer's distribution license. You may obtain this information from the manufacturer. All previously licensed and requested gauges are covered by this authorization.

We wish you success with your licensed program.

Sincerely,

Original Signed By:
