Attention: Mr. Robert E. Brinkman
Isotopes Branch
Div. Licensing & Regulation

Gentlemen:

The Komline-Sanderson Engineering Corporation furnished
the Sludge Density Sensing Device covered by License No. 29-7400-1.

Because this piece of equipment was determined not suit-
able for the purpose intended it was returned to the Komline-
Sanderson Engineering Corporation.

Will you, therefore, terminate the license issued to the
Middlesex County Sewerage Authority for this apparatus.

Very truly yours,

A. J. Popowski
