SUBJECT: NRC INSPECTION REPORT NO. 97-001

Dear Mr. Smith:

This refers to the inspection conducted on January 16, 1997 at Elite Inspection Service Co., Inc. The purpose of the inspection was to determine whether activities authorized by the license were conducted safely and in accordance with NRC requirements. At the conclusion of the inspection, the findings were discussed with members of your staff.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and with the conditions of your license. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, independent measurements and observation of activities in progress.

No cited violations were identified during the inspection

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practices," a copy of this letter will be placed in the NRC Public Document Room (PDR).

We will gladly discuss any questions you have concerning this inspection.

Sincerely,
Cynthia D. Pederson, Director
Division of Nuclear Materials Safety
