Albuquerque, New Mexico 87102

Mr. Maurice Bullock
BNFL
1835 Terminal Drive, Suite 220
Richland, Washington 99352

Gentlemen:

Subject: "Guidance for Review of TWRS Privatization Contractor Initial Quality Assurance Program, October 1996, RL/REG-96-01, Revision 0, and Guidance for Review of TWRS Privatization Contractor Employee Concerns Management System, October 1996, RL/REG-96-03."

Reference: My letter, 96-WDD-147, dated September 26, 1996, "General Background Information, Guidance and Requirements Related to Radiological, Nuclear, and Process Safety Regulation".

Enclosed is guidance to my staff, which was prepared to assist in their review of your Initial Quality Assurance and Employee Concerns Programs; they are being provided for your information. These are final versions and replace the draft documents provided to you as Enclosures 13 and 14 of my referenced letter.

These documents do not constitute changes in the provisions of your contract.

This letter and the enclosures will be placed in the Public Document Reading Room in Richland.

Sincerely,

Thomas R. Sheridan, Acting Director
Regulatory Office
