AlliedSignal, Inc.
P. O. Box 430
Metropolis, IL 62690

SUBJECT: ROUTINE SAFETY INSPECTION ALLIEDSIGNAL, INC., METROPOLIS WORKS
(NRC INSPECTION REPORT NO. 040-03392/97001(DNMS))

Dear Mr. Kosmider:

This refers to the routine safety inspection conducted by Messrs. C. Blanchard, R. Krsek, and T. Reidinger on January 6-10, 1997, at the Metropolis Works. The purpose of the inspection was to determine whether activities authorized by the license were conducted safely and in accordance with NRC requirements. At the conclusion of the inspection, the findings were discussed with you and members of your staff identified in the enclosed report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of a selective examination of procedures and representative records, interviews with personnel, and observations of activities in progress.

No violations of NRC requirements were identified during the course of this inspection. However, weaknesses in your program for development, revision, and control of written procedures were again identified during this inspection and will remain an open Inspection Followup Item. This area will be reviewed during future inspections.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be placed in the NRC Public Document Room (PDR).

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

Original Signed by R. Caniano for
Cynthia D. Pederson, Director
