

August 2, 1985

Docket No. 50-267

Mr. O. R. Lee, Vice President
Electric Production
Public Service Company of Colorado
P. O. Box 840
Denver, Colorado 80201

Dear Mr. Lee:

The Commission has issued the enclosed Order confirming your commitments to implement those post-TMI related items set forth in Supplement 1 to NUREG-0737, "Requirements for Emergency Response Capability," which was sent to you by Generic Letter 82-33 dated December 17, 1982. This Order is based on commitments contained in your letters dated April 14, 1983 (P-83147), July 5, 1983 (P-83234), March 9, 1984 (P-84079), and April 30, 1985 (P-85143).

The Order references your letters and, in its attachments, contains lists of the applicable NUREG-0737 items with your schedular commitments.

Some of the items set forth in the attachment to the Order are subject to post-implementation review and inspection. Our post-implementation review and/or the development of Technical Specifications may identify alterations to your method of implementing and maintaining the requirements. Any identified alterations will be the subject of future correspondence.

A copy of this Order is being filed with the Office of the Federal Register for publication.

Sincerely,

/S/

Edward J. Butcher, Acting Chief
Operating Reactors Branch #3
Division of Licensing
