Dear Mr. Holonich:

Your letter dated October 24, 1996, transmitting the acceptance review in which six open issues requiring additional information/documentation are presented, allows until November 23, 1996 for Petrotomics Company to address these issues. Based on review of these issues and discussion with our contractor Shepherd Miller Inc., additional time will be required to adequately address the items requested.

We request that the submittal date for the additional information/documentation be extended to December 23, 1996. We will endeavor to submit this data prior to December 23, 1996.

If you do not concur with this request, please advise me immediately by phone so that we may discuss alternatives.

Sincerely,

for *S. J. R. Platt*
