See Comment no. 43

Secretary of the Commission
U. S. Nuclear Regulatory Commission
1717 H Street, N.W.
NRC Public Document Room
Washington, D. C. 20555

Dear Secretary of the Commission:

As indicated in the comments submitted on July 8, 1985 by Peabody Holding Company, Inc. on the Proposed Regulations for Licenses and Radiation Safety Requirements for well logging operations (page 13797 of the April 8, 1985 Federal Register), these additional comments and suggestions are submitted. For your ease of review, the attached comments incorporate Peabody's July 8 comments, thus providing one complete document. These comments are submitted on behalf of Peabody Holding Company, Inc., Peabody Development Company and Peabody Coal Company.

Sincerely,

Edward L. Sullivan
