Birmingham, AL 35291

Gentlemen:

SUBJECT: SCOPE AND OBJECTIVES FOR 1985 FARLEY NUCLEAR PLANT EMERGENCY
PREPAREDNESS EXERCISE DOCKET NOS. 50-348 AND 50-364

Thank you for providing the scope and objectives for the 1985 Farley emergency preparedness exercise scheduled for September 25, 1985. We have completed review of your submittal. On July 31, 1985, Mr. W. E. Cline and W. M. Sartor Jr., provided comments on notification, protective action decision-making, and exercising of corporate support personnel to Mr. K. McCracken, Corporate Emergency Preparedness Coordinator. The need to exercise the corporate emergency support staff to demonstrate compliance with 10 CFR 50, Appendix E.IV.F was emphasized.

We will review the complete scenario when received and any additional comments that we have on the details of the exercise will be transmitted to Mr. K. McCracken of your staff by telephone.

If you should have further questions on this matter, please let me know.

Sincerely,

David M. Verrelli, Chief
Reactor Projects Branch 1
Division of Reactor Projects
