Dear Mr. Lacoste:

It was a pleasure to meet with you and other senior members of the DSIN staff during my first visit to France as NRC Chairman. In addition to our candid discussion, I wish to thank you for the marvelous lunch that you hosted for our delegation. As I stated during the visit, France and the United States have developed an important partnership in the nuclear area; a partnership I am committed to strengthening during my tenure at NRC. I look forward to regular interactions with you in the future, possibly at a G-7 meeting of senior nuclear regulators.

Sincerely,

Shirley Ann Jackson
