Dear Mr. Smyshlyayev:

It was a great pleasure to see you again after we made our acquaintance last May. I am most grateful for your efforts in planning the details of the visit and for the time you spent with me, especially with the extensive travel schedule you maintained during the visit. All of this effort was in addition to the very important responsibilities you are fulfilling under trying circumstances.

To reiterate what I said during my visit, we at NRC are looking forward to a long and productive relationship with your Administration, within the limits of available resources. I look forward to more meetings with you and your staff in the future, and seeing you early next year for our annual meeting.

Sincerely,

Shirley Ann Jackson
