Vladimir Udovechenko, Mayor
Town of Slavutich
Ukraine

Dear Mr. Udovechenko:

I would like to take this opportunity to thank you for the warm hospitality you showed me during my visit to Slavutich last month. It is a lovely town, made especially attractive by the various architectural designs of the former republics. It is clear from what I saw that the people of this region have a great deal of pride in what they have accomplished.

As I mentioned in our meeting, we recognize the concern over the future of Slavutich if the Chernobyl nuclear power plant closes. This is the reason for approaching such a decision in the context of a comprehensive plan that would consider the economic impact on the town. We look forward to working with you and other officials to place such a mutually-agreeable plan into action.

Sincerely,

Shirley Ann Jackson
