Gentlemen:

Subject: Licensee Event Report 96-003 Revision 0 for the Fort Calhoun
Station

Please find attached Licensee Event Report (LER) 96-003 Revision 0 dated November 7, 1996. This LER was originally assigned the number 96-003. The associated event notification was withdrawn, and thus the number was not used. Subsequently it was determined that the event was reportable and the decision was made to use the originally assigned LER number. As a result this LER number appears to be out of sequence with the other LERs that OPPD is now issuing.

This report is being submitted pursuant to 10 CFR 50.73(a)(2)(v) and 10 CFR 50.73(a)(2)(ii). If you should have any questions, please contact me.

Sincerely,

T. L. Patterson
