Sergei Parashin, Plant Manager
Chornobyl Nuclear Power Plant
Ukraine

Dear Mr. Parashin:

I would like to take this opportunity to thank you for the warm hospitality you and your staff showed me during my visit to Chornobyl last month. I appreciate your candor in our meeting and the extensive tour of your plant.

It is clear from what I saw that the people at Chornobyl take great deal of pride in their work. I am confident that agreement will be reached on a plan acceptable to both sides which will help to provide for adequate electric power production for the country and economic diversity for the continued prosperity of the Slavutich region.

Sincerely,

Shirley Ann Jackson
