Dear Ambassador Ritch:

Thank you for your letter of October 18 detailing Jim Richardson's support to the U.S. Mission to the UN Systems Organization in Vienna, Austria. I appreciate your evaluation of Mr. Richardson's performance and your comments supporting continuation of the Nuclear Safety Attaché position. I have forwarded a copy of your letter to Carlton R. Stoiber, Director, Office of International Programs. The NRC staff is in the process of preparing a Commission paper discussing the issue of whether to continue to support the position of Nuclear Safety Attaché. Your letter will make a valuable contribution to this review.

Your insights are very welcome, and I look forward to seeing you again soon in Vienna or Washington.

Sincerely,

Shirley Ann Jackson
