Washington, D.C. 19546

To Whom It May Concern:

This letter is to inform you that one six inch Nuclestat bar leased from NRD Inc. on lease number 54178 cannot be located for routine return to NRD. The serial number of the bar is SP36097. Should the bar be located in the future, it will be returned to NRD for proper disposal and your office will be notified.

Very Truly Yours,

Michael Galego
