

Gentlemen:

Firestone Tire and Rubber, Oklahoma City is in the process of converting the original Industrial Nucleonics sources, as authorized on license number 35-13617-01 to Kay-Ray. Find enclosed a renewal for 35-13617-01 showing the Industrial Nucleonics and a request below to amend 35-13617-01 to use Kay-Ray sources. Upon approval of the renewal and the amendment, Firestone will use Kay-Ray to install new sources and properly dispose of the Industrial Nucleonic sources.

Please amend our license 35-13617-01 as follows:

Section 6A	Cesium 137
✓ Section 6B	Americium 241 Beryllium
Section 7	Sealed Sources
Section 8	See Condition 9
Section 9	For possession and use in Kay-Ray devices which have been evaluated and approved for licensing purposes and authorized for distribution under a license issued by the Nuclear Commission or an Agreement State.

All other procedures and safety precautions remain unchanged.

Find enclosed two checks, one for the renewal for 36-13617-01 in the amount of \$120 and one for the amendment of 36-13617-01 in the amount of \$60.
