MEMORANDUM FOR: Chairman Carr

THRU: Hugh L. Thompson, Jr.
Deputy Executive Director for
Nuclear Materials Safety, Safeguards,
and Operations Support

FROM: Ben B. Hayes, Director
Office of Investigations

SUBJECT: INVESTIGATION NOTIFICATION

The following information is submitted in compliance with the Commission directive that you be informed whenever the Office of Investigations (OI) opens a new investigation:

Stokley Enterprises/
Spectronics

Case No. 2-90-014

Opened: 07/13/90

On June 13, 1990, the Chief of the Vendor Inspection Branch requested assistance from OI regarding a shipment of possible counterfeit electrical relays. Subsequent testing by the original manufacturer revealed extensive unauthorized mechanical alterations which affected performance of the relays. On June 26, 1990, NRR requested OI investigate the suppliers of the altered relays. ECD 01/91.

If you desire more details on this or any other OI investigation, please let me know.
