Date Rec'd: 10-8-96
Action Off: Rammings
Related Case: _____

Dear Mr. Powell:

I respectfully request that transcripts from a meeting between Florida Power Corporation and U. S. NRC, Region II be released under the Freedom Of Information Act. Specifically, the title of the document is:

FPC Conference, Crystal River Predecisional Enforcement Conference
Proceedings before Stewart Ebnetter, Chairman: March 27, 1996

Mr. Albert Gibson, Director, Division of Reactor Safety, Region II advised me to request this information under FOIA. Mr. Gibson has the information and is willing to send the transcripts as soon as he is notified that this request has been approved.

Additionally, I am requesting that transcripts from Predecisional Conferences on March 28 and April 4, 1996 also be released. The March 27 Conference is the most important document, however, required for my U. S. Labor Department complaint against FPC.

Please expedite this request and have the transcripts sent as soon as possible. If there is a problem or a delay, please call.
