Reference: Docket No. 50-285

Dear Mr. Callan:

Subject: Termination of Reactor Operator License

Pursuant to 10 C.F.R. 50.74(a), the Omaha Public Power District (OPPD) requests termination of the Reactor Operator (RO) license held by Mr. Daniel A. Hochstein (Docket No. 55-40581, License No. OP-42355) for the Fort Calhoun Station. OPPD has determined that there is no further need for Mr. Hochstein to maintain this license; OPPD therefore requests that the license termination date coincide with the expiration date of November 30, 1996.

Please contact me if you have any questions.

Sincerely,
